

# American Girl Garden Tea Party

Summer Reading 2015

Canajoharie Library

The program started with crafts! Patrons created tissue paper flowers from Josephina's time, and a Victorian Fan from Samantha's time period.

In the garden at their tables, patrons could read mini American Girl books, play paper dolls, coloring pages, word puzzles, and roll conversation cubes to get to know each other.

Many of the patrons brought their dolls to drink iced tea and eat food from the American Girl cookbooks, which were available along with other American Girl books to check out of the library!

After finishing the tasty treats, we gathered on the lawn to play games such as:

"Hide-and-Seek Mini-Book"

"Stack the Sugar Cubes"

"Toss the Teabag into the Teacup"

The Library enlisted volunteers for this program! Teens helped with serving the food and games. Some of the Mothers baked treats at home, and other volunteers helped with cutting out the paper dolls.

We had 17 attendees, 6 adults and 11 children.
